The Big Read: Edgar Allan Poe

This year, the Orange Library Association, which represents libraries in Orange County is sponsoring The Big Read, a county-wide reading initiative supported by a grant from the National Endowment for the Arts. The program provides citizens with the opportunity to read and discuss a single author within their communities, encouraging reading for pleasure and enlightenment. During the month of October, Orange County will read and celebrate the works of **Edgar Allan Poe**.

Art Display

During the month of September, the library will collect creations from artists of all ages, which will be displayed in the library through the month of October.
